INSPIRATION

A nod to our American cousins, characteristic citrus flavour, mellowed by malt to produce a clean, crisp, zesty and highly sessional beer.

STORY

Round of Kolf anyone?

The first USA brewery was opened in 'New Amsterdam' in 1613 by Dutch navigator Adrian Block. But it wasn't just their advanced brewing skills the Dutch settlers brought with them. They also brought the game of 'Kolf'. It was played in the streets with such fervour that it was eventually banned on the account of damages caused to windows, limbs & pride.

FOOD PAIRINGS

Fried or grilled gourmet fast food. Accentuates spiciness.
