INSPIRATION

We love IPA's and set about making our own; an 'Indonesian' IPA, inspired by the travels of the Dutch to the east and using the rich botanicals found in these faraway lands.

STORY

Who gives a monkey?

Dutch seafarers returning from the east would often bring back monkeys, which they would sell to tavern keepers to pay off drinking debts. Our IPA, with its hints of botanicals and spice, is a tribute to those sailors' spirit of adventure and quick thinking.

FOOD PAIRINGS

Pair with all kinds of Asian food such as pork belly buns, a curry or Indonesian sate.
