INSPIRATION

White Ale is a beer style typical of the lowlands but we wanted to give ours an appealing twist, keeping the acidic & sour flavours lower and spiking it with both refreshing citrus and fragrant fruit.

STORY

Barentsz, bears & beer.

When Willem Barentsz attempted to navigate the northeast passage, his crew fought twin terrors: polar bears and frozen beer. our white ale, with its refreshing fruity notes, is a tribute to the restless and rugged spirit that kept Barentsz going.
